

Grand of Washington

New Pup Tent the Sasquatch's

Do not welcome the newest Pup Tent 5 , "Sasquatch's!!!" The Grand instituted the new Pup Tent and the charter members were "slid" through the mud all the way to the 3rd degree! The Pup Tent then elected their Shavetails for the year, set there dues, and dates for scratches. All elected & appointed were sworn in and installed! A big Boooooo to Holly Pierce for being elected the most unworthy Seam Squirrel!!! *Submitted by Paul Herrera, Grand Commander*
